Mr. Arthur E. Lorenzani
232 West 14 Street
New York City

Dear Mr. Lorenzani:

It is a source of great regret to me that I was not here when you called with the portrait plaque of yourself which you have so generously given to our collection. As I have already told you, I think it is a stunning piece of work and we are very glad indeed to have it to add to the growing representation of Mr. de Francisci's work.

I hope when you call again that I shall be more fortunate and see you.

Cordially yours
